-----  
**ALL 6 TRIPS LISTED ABOVE TO BE GIVEN AWAY! FIRST DRAWN--FIRST CHOICE, 'TIL ALL ARE TAKEN.**

After the 30 September close of this special-incentive program, sponsors and new members will be drawn at random. Those sponsors & members may each, at his/her option, elect to receive a trip as described above, choosing from whatever trips are left in their respective category (once a trip is accepted, that trip is removed from the pool of trips available as we continue drawing names). No sponsor or member will be required to accept a trip. Trips are not assignable or transferable. If a trip is accepted, a form W-9 must be executed promptly, and a form 1099 will be issued for tax-year 2010 in the stated win value of the trip. Any one person--whether a sponsor or a new member or both--may accept only one trip, total. **No win in any of these drawings may be combined or used in any way with any other win or discount or special offer involving the same outfitter or the same trip or the same group.** In the unlikely event that the outfitter is, for any reason, unable or unwilling to provide the trip or any portion thereof, SCI & SCI-OSC will have no obligation to issue any form of compensation or refund to the winner.

\*\*Although unlikely, the current SCI/Cabela's program to give \$50 Cabela's gift certificates to sponsors is subject to modification or cancellation at any time; if that would occur, no compensation would be issued.

-----  
**PLEASE NOTE:** THE TRIPS A, B, C, 1, 2, & 3 ARE EACH DESCRIBED IN SEPERATE DOCUMENTS AVAILABLE ON OUR CHAPTER WEBSITE ([www.oklahomastationsci.org](http://www.oklahomastationsci.org)), UNDER "**SPECIAL-INCENTIVE PROGRAM--\$25,000 GIVEAWAY**". ONE OF EACH OF THE SIX TRIPS WILL BE GIVEN AWAY IN THIS PROGRAM. TRANSPORTATION TO THE SITE OF THE ACTIVITY IS NOT INCLUDED IN ANY TRIP, NOR ARE CERTAIN OTHER EXPENSES. PLEASE NOTE THAT TRIPS A, B, C, AND 3 EACH INVOLVE A SUBSTANTIAL EXPENSE ON THE WINNER'S PART. THE STATED VALUE IS THE ACTUAL SAVINGS THAT YOU MAY WIN--REAL VALUE OF UP TO \$3,250 FOR TRIPS 1/2/3...AND UP TO \$10,000 FOR TRIPS A/B/C; BUT THE ADDITIONAL EXPENSES THAT ARE NOT INCLUDED ARE INCREASINGLY HIGHER AS THE VALUE OF THE TRIP INCREASES. READ THE TRIP DESCRIPTIONS ON OUR WEBSITE CAREFULLY.
