

HOW BIG IS THAT RACK ANYWAY?!

Oklahoma Station – SCI
Membership Meeting

Saturday, July 13-2013

12 Noon to 5PM (ish)

Have you wondered what that trophy you are so proud of would score? This event is for you. **SCI certified measurers will score one mount for each OS-SCI member** at this event and you will be given an official SCI score sheet certifying your mount.

This event will be held at the trophy room of OS-SCI board member Leonard Hansen:

12730 Oakdale View Drive
Edmond, OK 73013
(405) 615-4225

Burgers, Sodas / Beer will be provided by donations and the OS-SCI Chapter.

We have meat donations and volunteer cooks, so members come on by during the course of the afternoon, have a hamburger and a soda or beer; get to see Leonard's fantastic trophy room, visit with other SCI members and get one of your mounts scored.

Please RSVP to Judy Roark at oscsci@yahoo.com so we know how much food and beverages to plan for.

Not a member, no problem; become a member on location! This is a \$100.00 per score normal cost so it PAYS to be a member! 😊
